Welcome to our first Big Data Week Tech Jam!

Get to know some of the emerging talents in Data Industry and best and brightest minds in Big Data Analytics in Malaysia.

If you want to learn more about Big Data, how to be a Data Scientist, Job opportunities, education opportunities and more, Tech Jam is the place to be.

Come and join us in the celebration of Data at Art Printing Works in Bangsar on 7th October 2017.

Did we mention that this is a free event? Yes, it's FREE.

There will be interesting games, competitions, lucky draw and tons of fun activities. Live bands will be playing some of the best songs while you enjoy ice cream and snacks from food trucks.

Co Organized by MDeC and Knowledge Group, Tech Jam will be the place for you to learn, play, sing, dance, and spend your Saturday.
